

# [CONFERRING TOGETHER]

A Study Day for Young Methodists  
in doctoral and postdoctoral research in any discipline

**Pembroke College, Oxford**  
**17th August 2018**

Travel bursaries available. Refreshments and lunch provided.

*'Conferring Together' is a significant Methodist practice - sitting round a table with others shapes our understanding of who we are and what we are doing. This study day is a unique opportunity to share your research with other young Methodist scholars, to gain insight from other disciplines, and to locate your research on a broader landscape within the Methodist tradition. 'Conferring Together' aims to create a supportive and inquisitive environment that will benefit you and your research. You are warmly invited!*
