

Postgraduate Certificate in Theological Research

at Kenya Methodist University
May to December 2023

Are you a Methodist theological educator in Africa?

Do you want to undertake research that is theologically astute and responsive to African needs in a global context?

Do you want to join a programme bringing together theological and contextual expertise from across continents and Methodist traditions to build a community of African Methodist researchers in theology and religion with global connections and reputation?

Apply by 17 March 2023 for a fully funded scholarship for the Postgraduate Certificate in Theological Research.

Successful completion of the PG Certificate enables you to apply to Wesley House, Cambridge for a full scholarship for a five year distance part time PhD starting in April 2024.

This programme, sponsored by the World Mission World Mission Fund of the Methodist Church in Britain, is for African Methodist theological educators who belong to denominations in formal partnerships with the Methodist Church in Britain and is a partnership between Kenya Methodist University and Wesley House, Cambridge.
